If you know promising SME/MSME founders or would like to collaborate, let's explore synergies! The event brings together investors, enablers, and SME founders for an evening packed with actionable insights and powerful networking.

The agenda kicks off with a welcome note introducing SME Shakti's mission, followed by focused sessions on **technology enablement**, **fundraising & IPO-readiness**, and **simplifying compliance around tax, ROC, and regulatory filings**. A fireside chat with a listed SME founder will offer real-world insights into the listing journey, followed by a session on **smart banking strategies** and **working capital planning** tailored for SMEs. Updates on government schemes and a spotlight on local ecosystem support wrap up the content, leading into an open networking session over drinks.

If you're a promoter looking to scale, raise capital, or explore IPO readiness—or an investor seeking the next big opportunity—SME Shakti is where it all starts.
